

Request No. 2

All documents relating to the preparation of the engineering portion of Valley's Application including, but not limited to, notification to or approval of the Federal Aviation Administration.

Depositions

In addition to those Principals of Valley who will be deposed under the standard comparative issue as that term relates to noncommercial comparative hearings, CTSC will seek to depose those Principals of Valley and such other persons that may be shown in the documents produced to have knowledge of relevant facts that appear to be reasonably calculated to lead to the discovery of admissible evidence.
